General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Austin.

Austin advised that he could not take Susan for a veterinarian assessment and treatment, and that he will rather surrender the dog to the SPCA to be humanely euthanized.

The other (remaining) dog was free roaming on the property and appears to be in good condition with no veterinary or health concerns observed.

I admitted the dog, ADM: D10458
