CHECKLISTS

General Report Comments: Upon arrival I was met by Shadika who is the owner of the dogs daughter. Shadika told me that her mother told her that the Spca can take the dogs on the property because the dogs keeps getting out and attacks the people in the street. Shadika called the dogs but the dogs were nowhere to find on the property. Will forward this case to Trainee inspector Mathabela to collect the 3x unwanted dogs. Will follow up.
