General Report Comments: Upon arrival, I was met with Ms Fortein. She did not take the dog to the vet, as she wanted to as they had a family emergency. She just wanted to take the dog for an annual check up.

She asked when she must buy the Simparica again, and I advised her that she must by it monthly, the dog is now due again. I advised that if she doesnt buy again that the dog's skin will deteriorate again.

She will buy this week.

I will come by next week to confirm that she has done so.
