General Report Comments: Mrs. Smith gave me access to the farm to go check on the border collies. Jan Cilliers who is the owner of the dogs has moved to Klipfontein farm with the dogs because everywhere he goes with his dogs he fails to keep up with the rent of the property. Mrs. Smith told me that Jan has not been paying them rent for his dogs that is on there property. I went to the kennels where the border collies are being kept, I saw +- 18 border collies. The dogs body conditions are fair. I had some food with me and the dogs devoured the food which means they are hungry. Some of the enclosures was dirty and dog poop was lying all over and some enclosures did not have kennels in them. There were a few dogs that is also matted and needs to be groomed. Water was observed. I issued warning W5584. Will follow up.
