General Report Comments: I was granted access to the property by Tertia Swarts who is the owner of the dog on the property. Tertia took me to the back of the property where I observed a brown terrier x female called Daisy on a short chain with a collar. Water, food and shelter is provided. Tertia told me that Daisy is chained because her property is not fully enclosed. I educated Tertia on installing a running chain and issued warning W5586 for a running chain to be installed within 7x days. Will follow up.
