General Report Comments: I saw 1x black and brown Rottweiler male on a +- 1.6 meter long chain without a collar, I stopped and a lady came out who introduced herself as Mrs. Esau. I asked Mrs. Esau why the dog is chained and she told me that the dog Tyson has bitten someone before and that the property is not fully fenced. I told Mrs. Esau that the chain is to short and that Tyson also don't have a collar. I issued warning W5591 to install the running chain and to provide Tyson with a collar . Will follow up.
