General Report Comments: I arrived and the Pitbull dog is still on a short chain of about 2 to 3 meters long. There is a collar around the dogs neck. The living environment is clean. I observed food water and shelter. Morne informed me that the reason why the dog is chained is because he escapes and fights with other dogs. I told him that that is not a legal reason to tie the dog on the short chain. I advised him to put up a running chain. I gave him a notice to comply. Morne showed me that he 2 new pitbull puppies that are 3 months old.
