General Report Comments: I was met by Natazin Tromp who is the owner of the dog and who also called the Spca regarding her dog Shorty that was attacked by another dog and now has an injury to his leg. I saw 1x brown terrier x male that is limping due to the injury to his leg caused by a bite wound. I told Natazi that Shorty must be taken to the vet because he is in pain an we don't know if the leg might be broken. I issued warning W5599 to take Shorty the brown terrier x to the vet within 24 hours. Will follow up.
