General Report Comments: I did a door to door at the property and I saw 1 dog on a running chain without a shelter and a collar. I arrived at the property and Mr Denzel welcomed me to the property and I spoke to him about the dog and they said the dog stays in the house and I said even if the dog stays in the house they still need to provide some shelter for the dog. I left the notice to comply for the collar and the shelter water was observed and the body condition of the dog is acceptable will recheck after 7 days.
