General Report Comments: PROACTIVE

Upon arrival, no one appeared to be home as there was no response to my presence.

I observed 1x dog kept on a short static chain on the left side of the property. The chain is approximately 2m long. The dog also had a raw chain collar fitted. The dog had a large wooden kennel which provides adequate protection against the weather elements, 5L plastic bucket with water in. The dog appeared to be in good condition with no veterinary or health concerns observed.

I issued a warning stating:

1. Place the dog on a runner - 7 days
2. Equip a suitable material/leather collar - 72 hrs

As I was about to leave, a man approached me and advised that he is the owner, Benjamin Brutus. I shared the content of the warning with him and he advised that he will have this done.
