CHECKLISTS

General Report Comments: I arrived at the Cat Show at Malmesbury Community Hall. They allowed me access and there were about 100 cats on show. The owner sits with their cat in play pens. Some closed at the top and others not. The cats were all in a good condition. They had water and food available to them. It was for cats with best personalities and breed etc. There were judges that walked around the area and judged the cats based on personality and breed. There were no welfare concerns. NFA until further notice.
