General Report Comments: I did a door to door at the property and I saw 2 dogs on short rope without a shelter and water. I arrived at the property and I spoke to vuyo the child of the owner of the dogs. I asked her why they leave the dogs like that without a shelter and she said they want to build one kennel for the dogs. I left the notice to comply for the shelter and the white dog the must extend the rope and they must provide water all the times. Will recheck after 7 days.
