General Report Comments: Isabel stopped me to ask for help as she claimed her two dogs are not eating and the female dog's body condition is deteriorating every day. I advised her to either take the dogs to the vet or to surrender the dogs to the SPCA. She surrendered both dogs. Water and shelter was observed on the property. The living environment is clean. There is no animals left on the property. I issued a Notice to comply advising Isabel to seek vet treatment in future for any sick or injured animal in her care or possession
