General Report Comments: Upon arrival, I was met and granted access to the property by the owner.

I observed the doing beignplaced on a runner. The runner is approximately 15m long with an attaching rope of 3m. The dog also has a suitbale leather collar fitted. The dog has access to his kennel and water. They could not find a swivel big enough as the one they bought was too small and the dog broke it.

I will come by next week to check on the swivel.

So far the owner has complied very well.
