General Report Comments: I did a door to door at the property and I was accompanied by inspector carina. Upon arrival at the property we saw 2 dogs on the short chain and 1 dog without a shelter tied onto the car. We arrived at the property and the owner was not at home and the kids took us closer to the dogs. One brown dog is tied to the car and he has neck injury due to the chain. We issued the owner a warning for vet treatment within 48 hours and to provide shelter for the brown dog and the running chain for both dogs and clean up the area. We will recheck after 48 hrs.
