General Report Comments: I did a door to door at the property and I saw 1 pit bull on the short chain with no collar and I stopped by to speak to the owner of the dog. I asked why is the dog on the chain without a collar and they said the dog is unpredictable.
I told her that the way they chained the dog is not acceptable they must provide the dog running chain and a collar.
I left the notice to comply for the collar and the running chain and I will recheck after 5 days.
