General Report Comments: Mr Alec Dick granted me access to the property. Mr Dick stated that Mr Cilliers have not been at the property again since he left on Tuesday 5 November 2024. The dogs has been left unattended since the Tuesday. Mr Dick also informed me that his estate agent had given Mr Cilliers an notice to tell him to vacate the property by 5 November. I saw that some of the dogs did not have food and that the living conditions went down a lot. The area was dirty and covered in feces and smelled very bad of urine and feces. Some of the dogs did not have food and water and some had access to self feeders that had some food in. The dogs appeared very stressed and had to walk through the areas that was covered in their own feces. I issued a warning nr W5548 for the owner to provide the animals with adequate food, to provide the animas with sufficient potable water. To clean and hygienically maintain the animals living are within 20 hours. And that the dogs are possibly abandoned.
