General Report Comments: I got a call from the after hours about the dog that was bitten by another dog. I asked law enforcement officials to escort me to the property because the people sounded like they are violent people.
We arrived at the property and Mr Jerome welcomed us to the property and I explain to him why we are there and he showed us the dog. The dog has a swelling in the leg and couple of dog bites from the leg I tried to convince him to surrender the dog because he is not working he refused to sign the dog over.
I left the notice to comply for the vet treatment I will recheck Monday 7 October 2024 at 14.30
