General Report Comments: I responded to complain about puppies that are crying all day without food and shelter. I arrived at the property and Mr visser welcomed me to the property and I explain to him why I was there. I asked to see the dogs and he took me closer because he said they are aggressive. I convinced him to surrender the puppies to the spca and he agreed to surrender and I advise him to sterilized his dogs and he said he is not working and they won't afford it. Water and shelter was observed and the body condition of the dogs is acceptable NFA
