General Report Comments: I was granted access to the property by the owner Mr. Wishing. Inside the property I observed 1x black terrier x male called Mowgli. The dog is very friendly and active. Mr. Wissing told me that he knows why I'm here because a neighbor told him that when ever Mr. Wissing went out for work,Mowgli starts howling. Mr. Wissing is from the opinion that Mowgli has separation anxiety because when he is home,Mowgli is quite. Mr. Wissing told me that he is considering giving the dog to his father. Mowgli has water,food and shelter available. I called the complainant and explained to her the situation. No welfare concerns was observed. Nfa until further notice.
