General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

The warning I initially left was removed from the gate.

I saw the dog kpet in the same manner as previously observed. I only saw 2 large black bowls added (unsure about the content as I cant see) which I did not see previously.

The same white car was parked in the same manner on the property.

I called out and whistled several times but got no response.

I proceeded to issue a 2nd warning, refering to the content of the initial warning.

I called the complainant to ask if she can verify when the owner is normally home and she advised thay he is normally home after hours, around 6pm. I will discuss the case with my Manager and ask if Trainee Insp Mathabela can go around one evening in the hopes of finding the owner home to discuss the concerns observed.
