General Report Comments: I responded to complain about the very thin dog with puppies. I arrived at the property and I spoke to jamile and he let me inside the property and I saw the dog. I asked him if they have food for the dog and he said no the food is finished and they will buy it over the weekend.
I left the notice to comply for the owner to provide adequate food for the dog will recheck after 6 days to check if they bought the food like they said they will. I also advise him to cook rice and chicken for the dog to eat because she has puppies and they are drinking on her. Water and shelter was observed and the body condition of the dog is not acceptable.
