General Report Comments: I responded to complain about two dogs on short chains. I arrived at the property and Mrs warwick came out. I spoke to her why they caged the dogs in a small area and she said the property doesn't have gates and the dogs are aggressive.
I told her that is not acceptable the way they caged the dogs and chained the female adult dog in that small area. I left the notice to comply for the owner to provide a bigger enclosure for the dogs and release the adult female dog on the short chain because they are caged.
She didn't let me see the adult male dog because she said she can't control the dog. I will recheck after 4 days.
