General Report Comments: I did a door to door at the property and I saw 2 dogs on short chains. I arrived at the property and and Mrs sarie welcomed me to the property.
I asked her why are the dogs on short chains and she said the dog named Stacie bites and she is on wheelchair and when visitors are coming she can't control the dog and her visitors turn back because of the dog.
I asked her to make a runner for the dogs and move it far away from the door and she said she will ask her son to build it. I saw also the water bowl was green and I asked her son to change the water and wash the bowls and he did that while I was there.
I left the notice to comply for running chains for the 2 dogs and a collar for Roxy
