General Report Comments: Upon arrival, I was met by Sarie and her sister (who owns Roxy, the dog kept on the left side of the house).

I was only able to put Bixy on a runner, the runner is 7m long with an attaching 1.5m light chain with swivels.

Roxy is on a 8m light chain, with a swivel and has 270 degree movement space.

I advised Sarie that I will look for a cable or wire, as the rope I used will only last a few months before it is worn.

ACTIONS

OTHER Assisted owner with installing a runner
