General Report Comments: Upon arrival, I was met by Sarie and her sister.

We installed a runner for Roxy, the runner is about 7m long, with an attaching 2m light chain, with swivels attached to the dogs leather collar.

We tried to install a runner for Stacy as well but this would limit her current roaming space , and reverted to extend her light chain more. The light chain is now approximately 5.5 meters long attached to a strong material collar with a swivel.

Both dogs have access to adequate protection against the weather elements, clean living areas, and drinking water.

Both dogs are in good condition with no veterinary or health concerns observed.

I will do a final check in 2 weeks time, before closing the case.
