General Report Comments: I went to do a recheck to see if Mr. Snyders was able to get hold of someone to come do the ponies hooves. Upon arrival I met Mr. Snyders at the barn,the barn was cleaned. The pony called Mary Jane was also standing in the barn busy eating. Mr. Snyders told me that he contacted a few people,but the ferriers only come out when there is at least more then 4x horses,so they barely come out for one horse. I gave Mr. Snyders a contact of someone I know that lives in Chatsworth who knows someone who can trim the ponies hooves. Mr. Snyders contacted this person and they arranged for Wednesday or Thursday to do the ponies hooves . I will do a recheck on Friday to see if the hooves has been done. Will follow up.
