CHECKLISTS

General Report Comments: No animals was seen on the property. I contacted Mrs. Smith who is the complainant and she told me that Mrs. Theron who is the actual complainant does not know if the cat that she has seen at the address belongs to the people and if they own a cat. Mrs. Theron went to the people at 2 Hoop street to ask them if they have a cat and the owner said no they do not have animals, but there was a cat on their property but the cat has left. I told Mrs. Smith that Mrs. Theron must get her facts in order because there's no animals at 2 Hoop street. Nfa until further notice.
