General Report Comments: After receiving the complainant I went out and I met Lesleeray who is the owner of the dog. She informed me that she has already contacted the vet and she was waiting for the guy who's car she was going to use. Lucy was walking around on the property. The other dogs are all in an acceptable body condition. Water and shelter observed. I issued a Notice to comply advising Lesleeray to seek vet treatment within 24hours. I later phoned Lesleeray at 16:31 to confirm if she took the dog to the vet. She confirmed that she did took the dog. I phoned the Bergzitch Animal Hospital to confirm and they informed me that Lucy is at their practice. I will recheck
