General Report Comments: Upon arrival I was met by Amber who is the owner of the dog. I asked Amber about the dog in question and she said that her brother took the dog for a walk to the beach. I went to the beach and saw a boy with a brown terrier x male adult dog, I asked the boy if his name is Alrich and he said yes. The brown terrier x dog is not limping and is in acceptable condition. Attached is a video of the dog walking. No welfare concerns observed. NFA until further notice.
