General Report Comments: I did a door to door at the property and I saw 4 dogs on the property and I stopped by to speak to the owner of the dogs. All the dogs came running to the gate and I saw 1 dog with a open wound. I knock no one came out and I left the notice to comply for the owner to provide a veterinary treatment for the injured dog.
I left the notice by the neighbor and she contacted the owner of the dog.
The owner said she is going to surrender the dog but she will call her aunt to come over to sign the dog over.
I also advise her to surrender some of the dogs because I saw them trying to fight with each other and she said will speak to the husband about it NFA
