General Report Comments: Water and shelter observed. Both dogs body condition is fair and acceptable. The living environment is clean. The dog named Lessy is on a short static chain without a collar. There is shelter available for Lessy. Blade is running loose inside the property. Ansley informed me that Lessy is a jumper and the moment you untie her she jumps out of the property and chase people. I advised Ansley to inform her father to either set up a running line or to make the chain longer. I issued a Notice to comply and I will recheck
