CHECKLISTS

General Report Comments: I arrived there was no one at home. I knocked on the door and there was no barking that I could here. The complainant said that the dogs were inside but I heard no barking. The person that was busy cleaning the estate came to me and gave me the number of the father of the owners of the dogs. I contacted the father at 0792711641 and he gave me the number of his son Walter 0765641990. I called him and he told me that the dogs are with him in Langebaan. He sent me a video of him and his dogs. NFA until further action.
