**CHECKLISTS**

General Report Comments: I drove past the abattoir to confirm that they are not slaughtering. The facility was closed and there was no sign of animals.

At 14h45 I called Dawid to enquire regarding the current status, Dawid advised that they are still closed and wont open again. He is also currently look for other work.

Case can be closed as the facility closed down. When I am in the area I will just keep an eye out for incase a new facility opens up.
