General Report Comments: Accompanied by Law Enforcement Officer, Isaac Sifinze.

Mkono, one of the owners met us at the site. Observed 2x large male pugs free roaming, and 10 piglets (3months old) also free roaming. 4x pigs were confined in suitbale enclosures.

The setup is rather well constructed, the enclosures have adequate shelter. Staw is placed inside to provide bedding and a warm place. Water is provided in buckets. The pigs are in good condition with no veterinary or health concerns observed.

I advised the owner to clean around the camps as buckets and plastic was scattered around, they will clean in due time.

There is a total of 4 owners here with pigs.

No APA contraventions observed today.
