Comments:	Britney was at home and after she surrendered the adult dog I asked her if she does have other animals and she showed me two sick puppies and I asked her to either surrender all three dogs or to take the puppies to the vet of which she admitted to not have the money and she then surrendered all three dogs. I issued a warning advising Britney to seek vet treatment for any sick or injured animal in her care in future. The admission numbers are E0814,E0815 & E0816. There is no animals left on the property
