Comments:	Today it has been 7 days and the owner did not claim the animals that was confiscated a week ago. I decided to release the 3x tortoises after I had spoken to Donnie Malherbe from Cape Nature. The black female dog Sasha and the 3x pigeons was put to sleep because they were not adoptable. The white terrier x Jane is still recovering at the Spca and will be up for adoption as soon as she's gained some more weight. Nfa until further notice.
