General Report Comments: A lady stopped me while doing door to door and asked me if I don't have something to give her dog because his hair is falling out. I asked her to see the dog. On the property I saw 1x brown terrier x male with what appears to be mange. I explained to Ms. Louw that the dog has mange and needs to be treated for the skin condition. Ms. Louw stated that she can't afford to treat the dog called Boesman and told me that I can take him. Boesman was surrendered to the SPCA. Refer to admission E7608. NFA until further notice.
