General Report Comments: A woman stopped while doing door to door in Witteklip, Vredenburg. I stopped and asked her how I can help her, she introduced herself as Vivian. Vivian told me that the dog has brandsiek and always in the street. Vivian also said that she contacted the owner of the dog and told him that she is going to give the dog to the SPCA because she can't look after a dog, the owner according to Vivian gave her permission to surrender the dog called Queenie because he is no going to come fetch her.
