Comments:	The owner Mr Hanse did contacted me back around 19H40 0815926360, then said to me that he found the notice to comply letter at his gate, I then introduced myself to Mr Hanse, he then went straight to details that his dog brown boerbol is 14 years old and there is nothing wrong with it. I told him that unfortunately we can't have discussion over the phone, I will have to come do proper animals welfare inspection and will take it from there depending on what I will be physically observing. He replied that will only be available Saturday around 4pm and Sunday the whole day, because during the week he is traveling to Cape Town for work, he lives Malmesbury 06H30 am and comes back home 18H00 pm.
