General Report Comments: Upon my arrival I was met by Mrs. Sarah Thomas who granted me access to the property. On the property I observed 1x black and white pitbull x male with the name Hulk. Hulk is on a +- 3 meter long chain with a proper collar. Mrs. Thomas told me that they can't let Hulk loose because he does not like other dogs and also because their property is not fully enclosed. Hulk is provided with adequate shelter which is a wooden kennel, water is also available and in the shade. The space Hulk is in is not adequate because there is no space for him to move around. Body score 3/5. Mrs. Thomas told me that Hulk belongs to her son, who's name is Marshall Thomas, no contact details because he does not have a phone. Marshall stays in Vredenburg, according to Mrs. Thomas, Marshall never buys food for the dog and she only gets pension and is unable to care for the dog. I asked her if she wants to surrender Hulk and she said she can't make that decision as Hulk don't belong to her, and she is afraid that Marshall will make trouble. I issued warning W6365 and will follow up within 6 days.
