General Report Comments: On my arrival in Koljander street WESBANK Malmesbury doing animals welfare inspection door to door, the house next to house no 10 Koljander street, I saw through the fence from the street 2 pitbull dogs on a static chain in the property (chocolate&white, and black &white) not on the collars, and other one pitbull light brown&white was roaming freely inside the property. Closer I get, I did not see any water bowls, I then tried to knock and hooted but know one came out, it looked like there was no one available in the property, I then went next door house no 10, there I found Mr November, of which I asked him if he can be able to hand over the owners/occupiers his neighbors a notice to comply, he then accepted the notice to comply and said he will hand it over to the owners, see notice to comply no I5699.
