General Report Comments: On my arrival in Moorreesburg doing animals welfare inspection door to door, I arrived in 13 Palmboom street, I was welcomed by Mrs Franklin, I introduced myself and explained my visit to her property, she then immediately said she has a puppy that might look sick, I then observed a black+white puppy of +-1 months named Cindy, the puppy appeared physically not looking good but looked weak to sick, the owner surrendered the puppy because she can't afford adequate veterinary treatment, I then brought the puppy to Darling spca and was humanely euthanized, see admission no E3593.
