General Report Comments: Access was granted by the owner of the dogs Mr Percy Matenji to view the living conditions of the dogs on the property. 4 dogs were found in total with 3 females and 1 male. They all appeared to be in acceptable physical condition during my inspection. The owner was not aware of any attack by his dogs on another also claiming that he hadn't been home for about a year. I asked him if anyone brought such a concern to him but he said no. No violation of the APA was noted. To advise the complainant to open a case.
