CHECKLISTS

General Report Comments: Upon arrival no animals cattle was found i went to Cheryl's office and she me she the soun coming from 5 th Road . I went and asked people who sit there looking for jobs and they told me they been coming since last year but they have never had a cow crying. There is also a construction company working on 5th Road they also have machines that makes noise. I also asked the guys who works there but they also say they have never heard a cow.
