General Report Comments: Upon arrival the dogs and cats appeared to be in good condition. 4 cats were found in the property and 2 dogs the owner had to surrender 3 cats and 1 dog the female Lilly. The male dog the Sandton SPCA had to neuter the dog and took it back. The owner was left with one cat and one dog both neutered. The reason for surrendering is that she has too many and she can no longer afford to feed them because they separated with her fiancé.
