General Report Comments: Upon arrival arrival at the property 3 dogs were observed in the property. They appeared to be in good condition. 8 Adult cats and 4 kittens were also observed. David told me that the animals belongs to her daughter Gillian Cohen who is at work. They are appeared to be in good condition . One female cat had 4 kittens and i spoke to the owner about surrendering them to the Sandton SPCA but she denied doing so and she told me SPCA will euthanased them. I had to educate him regarding the sterilising his cats and he agreed to do the stelisation of male cats. The mom cat she agreed to sterilise at the end of September when the kittens are 8 weeks. She told me that the kittens she will give to her friend who is going to adopt them. The living conditions of of the place were good.
