General Report Comments: Upon arrival at the property two family members of the owner of the dog were present. They arranged a locksmith to unlock the door so that I could gain entry onto the premises. They had also given permission for us to take the dog.
Upon entry I found that the dog was living under extremely dirty and filthy conditions. The house inside was so dirty, disorganized and messy. I managed to get the dog. It appeared to be in good physical condition. No other animals were seen.
The dog was brought to the Sandton SPCA after it was surrendered and admission form was completed.
