General Report Comments: Arrived at the Polofields Lisfestyle Estate and the security guard gave me access to proceed to the unit #613. I went to the unit and knocked, the owner asked 'who is it?' and answered. The owner opened for me eventually asking me how he can help me. I explained to him and his wife that there's been a complaint about their dogs. The owner owns a ground unit with an open garden outside. The dogs feed and sleep indoors. I asked him about their daily schedule and they said they work mostly from home and only leave for about 2 hours for deliveries. He said the neighbours tend to complain because of the dogs' barking. No violation of the APA was noted.
