General Report Comments: I arrived at the property and Mr. Kena, who is the tenant of the owner, Mr. Anthony Frank Rautenbach (079 341 8726) opened the gate for me to enter the house. 2 dogs, as detailed, were found on the property. Mr Kena told me that he is an athlete, an EFC fighter who spends most of his time at the gym training for his next fight. He said he always makes sure that food and water are provided before he leaves. Shelter is provided as a porch and blanket available for their comfort. The Cross breed was shedding some hair and I advised him to use a brush on the dog. I told him that blankets must be shaken and dried on the washing line.
